MISSION

To dedicate ourselves to building a healthier community by enhancing the programs, facilities and services of the Humboldt District Health Complex through philanthropy and effective stewardship of donated funds.

Message From **BOARD CHAIR**

On behalf of the HDHF Board of Directors, I would like to take this opportunity to once again say, thank you to all our donors and volunteers for your continuing efforts. We are proof that we are stronger together.

The pandemic has driven home the fact that the one thing we all have in common is health care. Everyone at some point in their life will need access to a hospital and health care. Some of us will need it more than others but, we will all need it.

Many hands make for light-work and it has been an extremely challenging time however, the support we have received and continue to receive makes it easy for us and makes it possible for us to continue on. Thank you to all of our donors and volunteers and we look forward to a stronger and better future for us all.

FEATURE PROJECT FUNDING

A request was made from the site to fund 10 patient beds per year for three years. Our site was able to secure beds at a discounted price which led to the HDHF Board of Directors unanimously voting in favor of funding 20 beds. The generosity of the Humboldt Good Neighbour Store enabled the Foundation to make a funding decision of this magnitude.

NEW PEDIATRIC DAY SURGERY PROCEDURE

A GENEROUS DONATION WAS MADE IN THE AMOUNT OF \$15,000 TO FUND A NEW HIGH DEFINITION MICROSCOPE FOR OUR DAY SURGERY UNIT.

OUR ENT SPECIALIST WAS APPROVED TO OFFER A NEW PEDIATRIC SURGICAL PROCEDURE AT OUR HOSPITAL. THIS MICROSCOPE WILL AIDE THE SPECIALIST TO INSERT TUBES INTO THE EARS OF PEDIATRIC PATIENTS.

THIS NEW PROCEDURE WILL REDUCE A SIGNIFICANT AMOUNT OF TRAVEL TIME TO OTHER CENTERS

2022-2023

EQUIPMENT NEEDS

The Foundation has committed to fundraising the items listed to the right for the 2022-2023 year.

The addition of Cell-A-Vision in our Lab will offer new technology which will expedite test results for time sensitive testing.

As the year progresses, there are equipment requests that are submitted to the Foundation.

Stretchers (5) (DSU)
Cell-A-Vision (Lab)
Panda Warmer (Obstetrics)
Fetal Heart Monitor (Obstetrics)
Defibrillator (ER)
Stretchers (3) (ER)

In addition to the above, our goal is to complete the \$70,000 still needed for the \$350,000 Cardiac Equipment Campaign.

Estimated Value: \$210,000
